

PRE-WORK

All pre work will count towards your grade.

Mandatory Sessions prior to arriving at:

- Your Roadmap to Community Resilience
- Code of Conduct
- Climate Change Awareness for Small Island Developing States
- Stay Safe Levels 1 & 2
- Nature-based Solutions for Disasters and Climate Resilience

Guidelines or Reminders

You will be graded based on:

- Community Engagement Skills - throughout the process – e.g., when you get into the Pouteroyen community, when you get back from the field to share the data etc.
- Facilitation Skills – getting your audience involved, getting support from the community and participation.
- Overall application of the Tools

Evaluation Sheet and Criteria

- Attitude
- Deportment
- Modulation
- Eye contact
- Engagement of participants
